

PROFILE OF DR. RAZAK JAIYEOLA, B.Sc., ACFE, CRISC, FCA

Dr. Razak Jaiyeola is a distinguished Chartered Accountant, technology consultant and respected leader in the accountancy profession. He is the Chief Consultant at A.J. Silicon and Managing Partner of Razak Jaiyeola & Co., with extensive experience in financial management, auditing, information technology, corporate advisory and professional capacity building.

He served as the **54th President of the Institute of Chartered Accountants of Nigeria (ICAN)** during the 2018/2019 presidential year. He has also contributed to the development of the profession through engagements with leading national, regional and international organisations, including IFAC, PAFA and ABWA.

Dr. Jaiyeola began his professional career with Coopers & Lybrand, where he gained experience in audit, advisory and company secretarial services. He holds an honorary Doctorate in Information Technology from British American University, Florida, and belongs to several professional bodies, including ISACA and ACFE.

His professional distinctions include First Merit Position in the ICAN Professional Final Examination in 1980, the ICAN Merit Award for Distinguished Service and the Platinum Award for Exceptional Leadership at the 20th Western Zonal Conference of ICAN.

He has led major World Bank-funded financial management and technology projects and has supported professional accountancy organisations in digital transformation and institutional development.

Through A.J. Silicon, Dr. Jaiyeola continues to promote technology, data analytics, global certifications and digital competence among accountants and finance professionals. He is married and blessed with accomplished children, including four Chartered Accountants and four Certified Information Systems Auditors.
