

Adebola A. Odeyemi – Business Consultant & Data Strategy Facilitator

Adebola A. Odeyemi is a seasoned Chartered Accountant, Certified Management Consultant (CMC), and Data & AI Strategist with over a decade of experience driving digital transformation across finance, business, and public sector ecosystems. As the Lead Consultant at Gem3A Solutions and a key faculty member at AJ Silicon, she bridges the gap between financial acumen and emerging technologies, empowering professionals for the digital economy.

A Fellow of the Institute of Chartered Accountants of Nigeria (FCA), Adebola holds specialised certifications in Data Analytics, Artificial Intelligence, and Cybersecurity. She has trained hundreds of finance professionals across Africa on leveraging data-driven insights for improved decision-making, operational efficiency, and business growth.

Her teaching style combines technical depth with practical relevance, grounded in real-world business scenarios, regulatory expectations, and forward-thinking strategy. She is also a passionate mentor, the founder of CARE Mentorship, and a recognised contributor on platforms like the Tony Elumelu Foundation and MentHer Network.

Through her work, Adebola continues to shape the next generation of finance professionals, equipping them with the digital intelligence, ethical mindset, and analytical confidence to thrive in today's data-driven world.
